To: Notice Recipient (2026-01646)

The 60-Day Notice of Violation of Health & Safety Code § 25249 served on April 10, 2026, is hereby withdrawn without prejudice.

The withdrawal will allow us to undertake additional legal research concerning a novel preemption issue related to the claims asserted in the notice. This withdrawal shall not be construed as an admission that any legal impediment exists with respect to the withdrawn notice or any subsequently issued notice. Rather, given the sensitivity of the legal questions presented, the notice issuer has determined that further research is prudent before proceeding.

Thank you,

Clifford A. Chanler
