INTRODUCTION

Asset forfeiture, as established under various state and federal statutes, is intended to disrupt criminal activities through the seizure and forfeiture of the instruments or proceeds of crime.

Pursuant to California Health and Safety Code Section 11495, the California Department of Justice (DOJ) publishes an annual report providing information on forfeiture actions during the preceding calendar year. This 26th annual report covers the 2020 calendar year. The DOJ received federal seizure and forfeiture information from 35 out of approximately 400 state and local law enforcement agencies, and state seizure and forfeiture information from 45 out of 58 district attorneys' offices.

Health and Safety Code Section 11495

11495(a) The funds received by the law enforcement agencies under section 11489 shall be deposited into an account maintained by the Controller, county auditor, or city treasurer. These funds shall be distributed to the law enforcement agencies at their request. The Controller, auditor, or treasurer shall maintain a record of these disbursements which records shall be open to public inspection, subject to the privileges contained in sections 1040, 1041, and 1042 of the Evidence Code.

(b) Upon request of the governing body of the jurisdiction in which the distributions are made, the Controller, auditor, or treasurer shall conduct an audit of these funds and their use. In the case of the state, the governing body shall be the Legislature.

(c) Each year, the Attorney General shall publish a report which sets forth the following information for the state, each county, each city, and each city and county:

(1) The number of forfeiture actions initiated and administered by state or local agencies under California law, the number of cases adopted by the federal government, and the number of cases initiated by a joint federal-state action that were prosecuted under federal law.

(2) The number of cases and the administrative number or court docket number of each case for which forfeiture was ordered or declared.

(3) The number of suspects charged with a controlled substance violation.

INTRODUCTION

continued

- (4) The number of alleged criminal offenses that were under federal or state law.
 - (5) The disposition of cases, including no charge, dropped charges, acquittal, plea agreement, jury conviction, or other.
 - (6) The value of the assets forfeited.
 - (7) The recipients of the forfeited assets, the amounts received, and the date of the disbursement.
- (d) The Attorney General shall develop administrative guidelines for the collection and publication of the information required in subdivision (c).
- (e) The Attorney General's report shall cover the calendar year and shall be made no later than July 1 of each year beginning with the year after the enactment of this law.

HIGHLIGHTS

Statistics were solicited from California's district attorneys' offices and law enforcement agencies. Although the DOJ is required to prepare this report, local agencies are not statutorily mandated to provide their data to the DOJ for inclusion. The 2020 report reflects the responses that were received from 45 district attorneys and 35 state and local law enforcement agencies. In California, there are 58 district attorneys and approximately 400 law enforcement agencies. Based on the data received by the Department of Justice, the following highlights the findings in this report:

- A total of 3,039 state forfeiture proceedings were initiated in 2020 (Table 1).
- A total of 932 federal forfeiture sharing requests were submitted in 2020 (Table 4).
- A total of 1,938 state forfeiture cases were completed during 2020, which included cases initiated in 2020 and prior years. The total value of the disbursed assets is \$25,739,328.57 (Table 2).
- A total of 583 joint federal asset forfeiture cases in which state or local law enforcement participated were completed and disbursed during 2020. The total value of the federal equitable sharing funds received is \$16,832,292.44 (Table 5).
- Inyo County reported no state forfeiture cases initiated or completed in 2020 (Table 3).
- The following fifteen counties did not participate in providing data for this report: Alpine, Calaveras, Del Norte, Mariposa, Merced, Mono, Nevada, San Benito, San Francisco, San Luis Obispo, Sierra, Siskiyou, Sutter, Yolo and Yuba.
- A total of 35 state and local law enforcement agencies participated in this report, twelve of which reported no federal equitable sharing funds received (Table 6).

METHODOLOGY

To comply with the requirements of Health and Safety Code section 11495, the DOJ reached out to all California district attorneys, the officials conducting state forfeiture proceedings, to request that they provide the DOJ with the required information for each state forfeiture action conducted during the reporting period. Although the DOJ is required to prepare this report, local agencies are not statutorily mandated to provide their data to the DOJ for inclusion.

Information regarding federal equitable sharing sought and received by California law enforcement agencies through joint investigations can only be obtained directly from the participating agencies. This is the third report to include federal forfeiture data and the third time agencies other than district attorneys' offices have been called upon to participate.

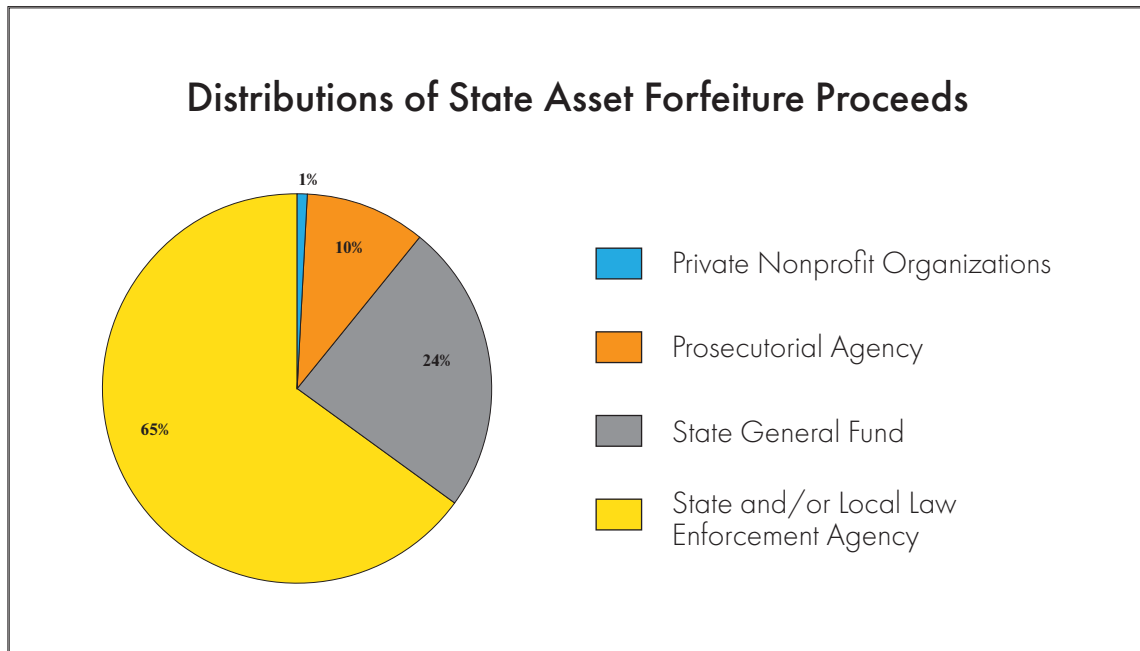

This report provides the information required by Health and Safety Code section 11495 on all forfeitures initiated during calendar year 2020. For state forfeitures completed and federal distributions received during calendar year 2020, detailed information is provided.

Pursuant to Health and Safety Code section 11489, state asset forfeiture proceeds are distributed as follows:

- One percent to a private, nonprofit organization composed of local prosecutors for the exclusive purpose of providing a statewide program of education and training for prosecutors and law enforcement in the ethics and proper use of State asset forfeiture laws.
- Ten percent to the prosecutorial agency that processes the forfeiture action.
- Twenty-four percent to the State General Fund.
- Sixty-five percent to the state and/or local law enforcement agencies that participated in the seizure of the assets, distributed in a manner that reflects the proportionate contribution of each agency. Fifteen percent¹ of the funds distributed to law enforcement must be deposited in a special fund which is maintained by a council made up of local government entities. This fund shall be used for the sole purpose of funding programs designed to combat drug abuse and divert gang activity.

¹ Some counties have reported the deposit of 15 percent of their share to a special fund while others have not, nor are they required to.

METHODOLOGY continued

Federal asset forfeiture proceeds received by a state or local law enforcement agency may be utilized for allowable law enforcement purposes as defined in the Federal Guide to Equitable Sharing. Health and Safety Code section 11471.2 prohibits state and local law enforcement agencies from seeking federal adoption of specified asset seizures. It also prohibits acceptance of certain federal equitable sharing distributions when the asset seized is real property or less than \$40,000 in cash or other negotiable instruments, unless the underlying criminal case has resulted in a conviction. When such prohibited seizures are ordered forfeited, the participating California agency must decline or return the distribution. In those cases, the entire forfeited amount is retained by the federal agency.

forfeitures COMPLETED

- For purposes of this report, an asset forfeiture case is considered completed when forfeiture has been ordered or declared and all assets have been distributed² by the district attorney's office or federal sharing funds have been received³.
- Table 2 provides summary information on asset forfeiture actions completed pursuant to California law during 2020. This includes disbursement information on cases initiated in 2020 and prior years (Page 14).
- Table 3 is the most extensive section within this report and provides detailed information on each asset forfeiture case that was completed pursuant to state law during 2020 (Page 16).
- Table 5 provides summary information on federal asset forfeitures received by state and local law enforcement agencies as part of a joint asset forfeiture case in 2020, including cases initiated in 2020 and prior years (Page 279).
- Table 6 provides detailed information on federal asset forfeiture cases for which equitable sharing funds were disbursed to California law enforcement agencies during 2020 (Page 280).
- Cases for which only a partial distribution was made during 2020 are not listed in Tables 3 or 6, as they are considered still pending. They will be reported once they are fully distributed.
- Tables 2 and 3 reflect data reported by district attorney's offices.
- Tables 4, 5, and 6 reflect data reported by law enforcement agencies.

² When all seized items have been returned to the defendant following adjudication of a previously initiated case, it is no longer considered to be an asset forfeiture case..

³ Federal sharing funds that a state or local law enforcement agency has returned to the federal sharing agency are not considered funds received and are not included in this report.
